

News From the Baltimore Bowmen

Next Meeting

Wednesday, May 16, at 730 p.m. in the Bowmen Clubhouse

Message from the President

Spring is here and the BBTC is a short few weeks away. As you may have noticed, the club has temporarily located a dumpster to aid in our preparation for this most important event. I am dismayed to report that someone has decided to leave trash (*more particularly, an old permanent treestand*) adjacent to the dumpster. I am requesting that whomever did so, please remove it.

No questions will be asked, so long as it is removed from club property; that doesn't mean placing it in the dumpster. Dumping on state park lands is a very serious offense. We have decided to take a zero tolerance stance on members bringing debris onto club property.

Please, folks, let's try to keep the club looking good! I would also like to point out that as we pay for debris removal, placing additional trash in the dumpster costs the club additional funds. In essence, it is robbing the club's treasury.

On a lighter note, I wish all of you a safe, successful spring gobbler season!

Mike Horst
