News From the Baltimore Bowmen

Next Scheduled Meeting

The next meeting is Wednesday, July 19, 2006 at 7:30 p.m. in the Bowmen clubhouse.

Message from the President

The club sustained significant damage by way of a tornado this past weekend. Numerous trees were damaged, and most of the trails are blocked. The club will hold an emergency work party on Sunday the 9th of July. We will begin at 7 a.m. due to the hot weather. Please try to attend, if at all possible.

Please call Bill Tomlinson at 410-661-2594 to ask about details, tools needed, etc. This is a setback, but I am sure that we can overcome it if we all work together.

Happy Independence Day,

Mike Horst
