

News From the Baltimore Bowmen

Next Scheduled Meeting

The next meeting is Wednesday, April 19, 2006 at 7:30 p.m. in the Bowmen clubhouse.

Message from the President

As spring is fast approaching, we are reminded how lucky we are to have such a beautiful place to shoot our bows. Yes, the weather makes it seem like winter has us in it's grips. But, walking around the club grounds, one sees evidence of spring: buds on trees, robins, bluebirds and the sound of geese flying north overhead. In no time at all, we will be complaining about the heat and humidity. In what will seem a blink of the eye, our big traditional weekend will be here.

Now, more than ever, the club needs the support of every member to ready ourselves for this, the big event of our year. Whether you enjoy shooting traditional or modern equipment, the BBTC should be important to you. Without it, the club would have to significantly increase dues and or shooting fees at bow hunter league. Won't you please set aside a few hours to help us get ready for this event? If you can't make it to the work party, please contact Bill Tomlinson or any club officer to participate. Together, we can do this without anyone having to be burdened. Just an hour here or there would go a long way to helping the club. Thank you for your continued membership and support.
