Message From The President:

Greetings fellow club members,

Work has begun on rebuilding the target butts. All practice butts located in the field have been replaced with new excelsior bales, excluding the broadhead bales on the far left. Additionally, a couple of butts on the Howard Hill range have been repaired or replaced. I'd like to thank the members who came out and did the work so "all" members can enjoy the range. They are: George Pytash, John Bogdan, Joe Derico, Jerry Dewese, Dwight Dorsey, Jamie Frailey, Tom Jones, Bill Tomlinson, and Ken Warner. Thanks again gentlemen.

The BBTC is coming and much work remains to be done. Please consider giving some of your time to better the club. Yours truly,

Jeff McCormack
