## Next Meeting:

Wednesday, September 16, 2009 @ 7:30PM in the Bowmen Clubhouse.

## Message From The President:

Greetings fellow members: The summer is drawing to a close and with it the last 3D shoot on September 7th. The shoots have been a big success this year and I hope everyone has enjoyed themselves. I would like to give special thanks to those members who have volunteered to "work the gate" on Monday nights. Also, I have no doubt those archers who participated in the shoots have enhanced their opportunity for success in the upcoming bow seasons.

Special thanks goes out to George Pytash and others who assisted on Saturday, 8/22/09 with storm damage debris cleanup on the ranges. George always steps up to help out and it does not go unnoticed.

Please keep an eye out for possible upcoming emails or newsletter notifications regarding help needed with work projects. I would like to take this opportunity to wish all the hunters out there a safe and successful season. Let's get some "hero" pictures for our website.

Shoot straight,  
Jeff McCormack

## Hunt Of A Lifetime:

Thanks to our sponsors and participants we raised \$4885 during our weekend benefit shoot in July. Thanks to all those that helped and especially to Dan Stely for heading up this affair every year.

## Old Business:

A brief discussion was held pertaining to the scout Venturing Crew.

Bill is in the process of trying to meet with DNR to discuss the proposed pole barn construction.

Jamie submitted a sketch of the new SCA shed that will replace the white & green shed with a wood structure 12 x 16 feet, sided in T-111.

## New Business:

A motion was made and accepted to allot \$954.00 to buy another set of steel doors and hardware for the clubhouse.

The old "ladies bathroom" that has been a maintenance problem will be permanently closed. Bill will check into getting another portable toilet to remain on site.

If anyone knows of a contractor who does "tar and chip" on road surfaces we would like to get an estimate. Please have them call Bill Tomlinson.

## New Members:

We'd like to welcome Ben Wright to our club.

## Upcoming Events:

August 31 & Sept. 7 - Summer / Monday 3-D Shoots.
