## Next Meeting:

Wednesday, February 18, 2009 @ 7:30PM in the Bowmen Clubhouse.

## Message From The President:

As I write this we are in the last week of the archery season. I hope the hunters in the club have had an enjoyable and successful year.

Now that the holidays are over it's time to start focusing on the upcoming year. My wish is to make Baltimore Bowmen a club we can all be proud of. We have an aggressive work agenda scheduled, beginning with replacing/upgrading the target butts so we always have 28 butts throughout the woods to enjoy shooting. I will be calling on all able-bodied club members to assist in the work necessary to get it done. If you have time to shoot more than occasionally, it would seem only fair that you have time to give the club a few hours of your time to help with the work. I look forward to seeing you all in 09.

Take care,  
Jeff McCormack
